

As many things have changed in our world and our personal lives over the past few months, we too at Hospice of Douglas County have had to make changes. We will be honoring our patients who have passed away in a different way this year for our annual butterfly release. Our hospice team will have a private ceremony to release the butterflies and then host a virtual watch video on our website and Facebook page starting the week of August 10, 2020.

We invite you to be a part of this event by sharing the name of your loved one along with some special words to be used in the video. If you would like to donate for the purchase of the painted lady butterflies, that our team will be releasing, you may do so in the following ways. Suggested donation \$10.

Enclose check and mail to:	OR	Debit or Credit Card:
