CONGRATULATIONS!!

HOSPICE HONORS AWARD

HOSPICE OF DOUGLAS COUNTY has been named a 2020 HOSPICE HONORS recipient. This is the fourth time that our program has received this prestigious award, it recognizes hospices that continuously provide the highest level of care as measured from the caregiver's point of view.

Award recipients were identified by results of surveys completed by caregivers who utilized our hospice program. Caregivers scored us at a 9 or 10 on a scale of 1-10 on 24 quality indicator measures over the evaluation period of October 2018-September 2019. This tells us that we are doing a great job meeting the needs of our patients and families which is so important.

It takes the entire team to provide this kind of care. From our volunteers, to our office staff, to our on call team, we are fortunate to have individuals who have the passion and desire to provide excellent care at end of life.
